STAT

Attached as of COB Friday, 7 March 1986, is DDCI's statement, which has been coordinated and somewhat revised by DDI with additional input from DDCI, for the 12 March hearing. I would expect he will tinker with it more beforehand but might be adequate at this point to provide to the Committee. The DDO plans to give copies to Jim Bishop and Walter Clark at Department of State. Give me a call if you have any questions.
